WHAT'S IN THIS SAMPLE

Inside: a two-page January 2027 trestleboard (lodge newsletter) with the month's calendar filled in, and a one-page Stated Communication notice with an order of business. Both are Word files in the Classic (black and white) edition, free for your lodge to use.

HOW TO USE IT

Open the file in Microsoft Word or LibreOffice (free); Google Docs moves the layout around. Type over anything in [square brackets]. Ctrl+H (Cmd+Shift+H on a Mac) with Replace All puts your lodge's name in every spot at once.

Page 1 leads with a Message from the Worshipful Master. Page 2 has four business-card ad spaces under Our Supporters. Some Grand Lodges restrict advertising in lodge publications, so check your jurisdiction's rules before you sell ad space.

Nothing in the files is ritual, and there is no shop name or footer: the trestleboard belongs to your lodge.

THE FULL KIT

The Lodge Trestleboard Kit has a trestleboard for December 2026 and every month of 2027, plus an undated one; Stated Communication, Special Communication and memorial service notices; an officer roster; a 2027 at a Glance calendar; and every file in both Classic and Color (lodge blue and gold).

Fraternal regards to your lodge. — DJ
