ANSWERS

Cryptogram, Mystery and Trivia

Puzzle 4: Cryptogram

“The only way to have a friend is to be one.”

— Ralph Waldo Emerson

Puzzle 6: The Case of the Vanishing Pie

Amos arrived first, at 5:00. The chowder cannot have come at 5:30 (that was the beans) or at 5:45 (the cornbread would have been at 6:00), and if it came at 5:15 the cornbread would land on 5:30, the beans' slot. So the chowder came at 5:00 with Amos, and the cornbread at 5:15. Hattie brought neither the cornbread nor the cider, so she brought the beans at 5:30. Walt came after her, at 5:45, with the **cider**, which leaves Rosalind with the cornbread at 5:15. **Walt Bixby took the pie.** He arrived just after Mabel's 5:40 peek, slipped the pie into his empty cider crate and carried it out to his truck "to save it from the crowd." He brought it back with one slice missing, and Delia made him wash every dish in the Grange to settle the score.
